CIT/CASE: BC649623
 LEA/DEF#:

1 **AFFIRMATIVE DEFENSES**

2 Defendant asserts the following affirmative defenses to each of the causes of action in
3 Plaintiff's Complaint:

4 **FIRST AFFIRMATIVE DEFENSE**

5 Plaintiff's Complaint fails to state facts sufficient to constitute a cause or causes of action
6 against Defendant.

7 **SECOND AFFIRMATIVE DEFENSE**

8 Plaintiff has failed to take all reasonable and necessary care and diligence to mitigate the
9 damages alleged in each of the causes of action set forth in the Complaint.

10 **THIRD AFFIRMATIVE DEFENSE**

11 Defendant asserts that the incident that is the subject matter of the Complaint was caused or
12 brought about by a person or persons (including, if proven by investigation and discovery, Plaintiff,
13 Rafi Haroutounian, and known or unknown third parties) other than Defendant and over whom
14 Defendant had neither control nor the right to control, or resulted from some independent cause,
15 phenomenon or misadventure beyond the control of Defendant and for which Defendant is not
16 liable. Defendant asserts the defense of superseding intervening cause.

17 **FOURTH AFFIRMATIVE DEFENSE**

18 To the extent there was an abuse, alteration, misuse or unintended use of a product by
19 Plaintiff, or others, which was without Defendant's knowledge or approval and was a proximate
20 cause of the injury or damage alleged in the Complaint, then, to that same extent, such abuse,
21 alteration, misuse or unintentional use shall bar recovery against Defendant.

22 **FIFTH AFFIRMATIVE DEFENSE**

23 Any recovery by Plaintiff against Defendant is barred, diminished or reduced in that Plaintiff
24 has failed to join all indispensable parties, and, therefore complete relief cannot be afforded to the
25 parties in this action and will result in prejudice in any future litigation.

26 **SIXTH AFFIRMATIVE DEFENSE**

27 Defendant is informed and believes, and on that basis alleges, that Plaintiff negligently,
28 recklessly, carelessly or knowingly failed to exercise ordinary care, caution or prudence relating to the

1 matters alleged in the Complaint, so that the injuries and damages allegedly sustained by Plaintiff and
 2 his consequent damages were proximately caused and contributed to by the negligence or
 3 recklessness of Plaintiff. If so, any recovery by Plaintiff for damages must be offset or reduced in
 4 accordance with the doctrine of comparative negligence.

5 SEVENTH AFFIRMATIVE DEFENSE

6 If Plaintiff was injured or damaged as alleged in the Complaint, such injuries or damages were
 7 caused or contributed to by persons or entities other than Defendant, and the relative fault of all
 8 such persons or entities must be determined so that the liability, if any, of Defendant, to Plaintiff may
 9 be apportioned or set off on a comparative fault basis in accordance with the provisions of Civil
 10 Code, § 1431.2(a).

11 EIGHTH AFFIRMATIVE DEFENSE

12 Defendant reserves the right to amend this pleading to include further affirmative defenses
 13 pending further discovery and investigation.

14 **WHEREFORE**, Defendant prays for judgment as follows:

- 15 a. That Plaintiff takes nothing by way of the Complaint filed herein;
- 16 b. That judgment be rendered in favor of Defendant, and Defendant be awarded its
 17 costs of suit;
- 18 c. That the trier of fact reduce the amount of damages assessed against Defendant, if
 19 any, in accordance with the doctrine of comparative fault; and
- 20 d. For such other and further relief as this Court may deem just and proper.
